2	Meeting Agenda <i>Jim</i>	<p><b>Theme and Agenda for August 23<sup>rd</sup> Meeting</b></p> <ul style="list-style-type: none"> <li>• Sybase—Tom McMahon</li> <li>• Technical Tricks and Tips--Howard?</li> <li>• BO?</li> <li>• DMG (TQ&amp;A)—Agha</li> <li>• Fallback Plans?</li> </ul>	<p>Not present. We really do need to have this as finalized as possible by tomorrow.</p> <p>While writing this, Jim called me. The Sybase folks are willing to customize their presentation based on our needs.</p> <p>Howard will not be available, because he will be on the road until March. Therefore, we will need to identify another person to present Technical Tips and Tricks. What about Charlie Parker (e-mail: <a href="mailto:charlie@homeshowcase.net">charlie@homeshowcase.net</a>)? Or maybe Agha?</p> <p>Jim will also contact Lisa about scheduling their presenter and topic and get confirmation about their presence at the meeting.</p> <p>Future meetings: Harriet will strike up a conversation to possibly have George Peck present at the May meeting—along with teaching a course for us. Also in May, we hope Guident will present as well as provide a Petting Zoo...And, if Charlie isn't available, for the Winter meeting, maybe we could get him for the Spring meeting.</p>
